S I R:

Pursuant to 37 C.F.R. § 1.181(a), and in accordance with M.P.E.P. § 711.03(c)(I), Applicants hereby petition the Commissioner to withdraw the holding of abandonment as indicated by Examiner Harle in her voice-mail of May 30, 2002. The abandonment is based on non-response to the Office action mailed October 24, 2001, which allotted Applicants a three-month shortened statutory period for reply ending January 24, 2002, extendable up to three months to April 24, 2002 by payment of the requisite extension fee under 37 C.F.R. § 1.136(a).

Applicants filed a Response to Office Action on April 24, 2002 with the appropriate petition for extension of time. The Patent Office apparently misplaced this filing, causing the case to become technically abandoned. On Monday, June 3, 2002, Applicants hand-delivered via courier to the Examining Unit a copy of the April 24, 2002 filing, along with a copy of the date stamped postcard evidencing the filing on that date.
